

Notice of USB-IF Certification

Date: 2024-01-15

TID 6512, listed as Marketing Name: RealScan S60 Part Number: RS-S60 has passed USB-IF Compliance testing and is listed on the Integrators list as certified by Xperix Inc.. Testing for this product was performed at Telecommunications Technology Association (TTA).

The most current information is always posted on the Integrators List at www.usb.org. Please feel free to contact admin@usb.org if you have any questions.

IEC Notification: USB specifications are backwards-compatible. For all products that support USB Standard-A, USB Type-C, USB Power Delivery and USB 2.0 specifications that passed USB-IF Compliance testing and the Original Equipment Manufacturer (OEM) received the corresponding “Notice of USB-IF Certification” for those products, that “Notice of Certification” serves as a validation/confirmation from the USB-IF that the products in question are interoperable to the corresponding IEC specifications noted below:

- USB Standard-A: IEC 62680-2-1:2015
- USB 2.0 - Universal Serial Bus Specification, Revision 2.0: IEC 62680-1-1:2015 USB Type-C: IEC 62680-1-3:2022
- USB Power Delivery specification: IEC 62680-1-2:2022

Thank you,
USB-IF Administration
